EHR IN PRACTICE

SEVOCITY EHR

EXTENDED PROFILE
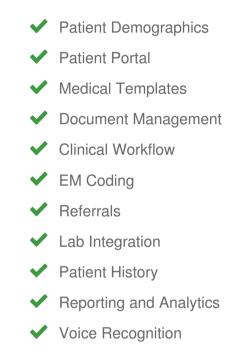

OVERVIEW

Sevocity EHR offers specialty-specific features and content which can be customized to individual practices and providers. Alongside this, the system also provides practices with a range of standard EHR functionalities, including certified embedded E-prescribing, flexible flow sheets, and a patient portal, and is fully certified as meeting the requirements for Meaningful Use Stage 2.

Sevocity EHR is cloud-based and can be accessed through any device with an internet connection. The EHR offers its users extensive security features, including disaster recovery protection and a military-grade data warehouse. In addition, consultancy and training services are provided to new customers as part of the start-up cost.

In addition, Sevocity offers consultancy and training services to new customers as part of the start-up cost. Plus 24-hour support all year round.
