9	1st Providers Choice	1st Providers Choice EHR
10	EncounterWorks	EncounterWorks

HOW THESE RANKINGS WERE GENERATED

This ranking was determined using a number of factors including industry standing, public opinion of software, social media presence, and available software features relevant to the needs of a small business. This ranking should serve as a rough estimate of software suitability, and more in-depth analysis can be taken below or by using our EHR software comparison.

SHORTLISTING EHR VENDORS CHECKLIST

★	✔		★	✔	
1	◯	Research EHR employed by similar sized practices in the same specialty	6	◯	Produce an RFI document and send to vendor shortlist
2	◯	Identify market leading solutions which offer some support in your specialty	7	◯	Narrow shortlist based on RFI responses
3	◯	Leverage professional network for recommendations based on their experience	8	◯	Compile requirements and business processes in an RFP document
4	◯	Identify any specialty-specific EHRs	9	◯	Narrow shortlist based on RFP responses to produce final shortlist
5	◯	Compile initial shortlist of vendors			

SENDING EHR RFP CHECKLIST

★	✓		★	✓	
1	○	Provide practice background	6	○	Request information on vendor implementation team personnel and their experience
2	○	Provide project background - why are you selecting a new EHR?	7	○	Provide a deadline for RFP responses and information on when you'll be in contact
3	○	Provide in-depth, end-to-end timeline for EHR selection and implementation	8	○	Send out RFP to EHR vendor shortlist
4	○	Outline all EHR requirements and their priority			
5	○	Request at least three references from practices similar to your own
